3" ROUND SIDEBARS

THE NERF BARS THAT STARTED IT ALL

Since 1998, 3" Sidebars have been a staple of the Steelcraft product lineup. Our goal is to always make products that will last, and look good in the process. 20 years later, these sidebars continue to be the perfect go-to bars for your SUV's, CUV's and small trucks.

BLACKOUT SERIES

PRODUCT DETAILS

- Durable 4" oval tubing
- Custom mounting brackets
- Aggressive custom polypropylene step pads
- OE style bends
- E-coated and powder coated stainless steel provides years of durable finish and superior corrosion resistance

INTRODUCING OUR BLACK STAINLESS STEEL SIDEBARS

Steelcraft's Blackout Series Sidebars are made from stainless steel tubing that is dipped, e-coated, and powder coated, giving you the best of both worlds....a black powder coat finish without the worries of rust and corrosion.

Aggressive step pad provides sure footing

Black powder coat over stainless steel (Shown this way for illustration purposes only)

Previously in order to get a lifetime warranty on your nerf bars, you had only one option...polished stainless steel. Fast forward to today...Steelcraft's new Black Stainless Steel sidebars now give you the peace of mind of polished stainless with the cutting edge textured black look. It's a win win.

RUNNING BOARDS

We have several styles of Running Boards, so you're sure to find a set that complements your vehicle. No matter which ones you go with though, you can be sure that they will be durable, and that they will add style and functionality to your truck/SUV, all while being easy on the pocketbook

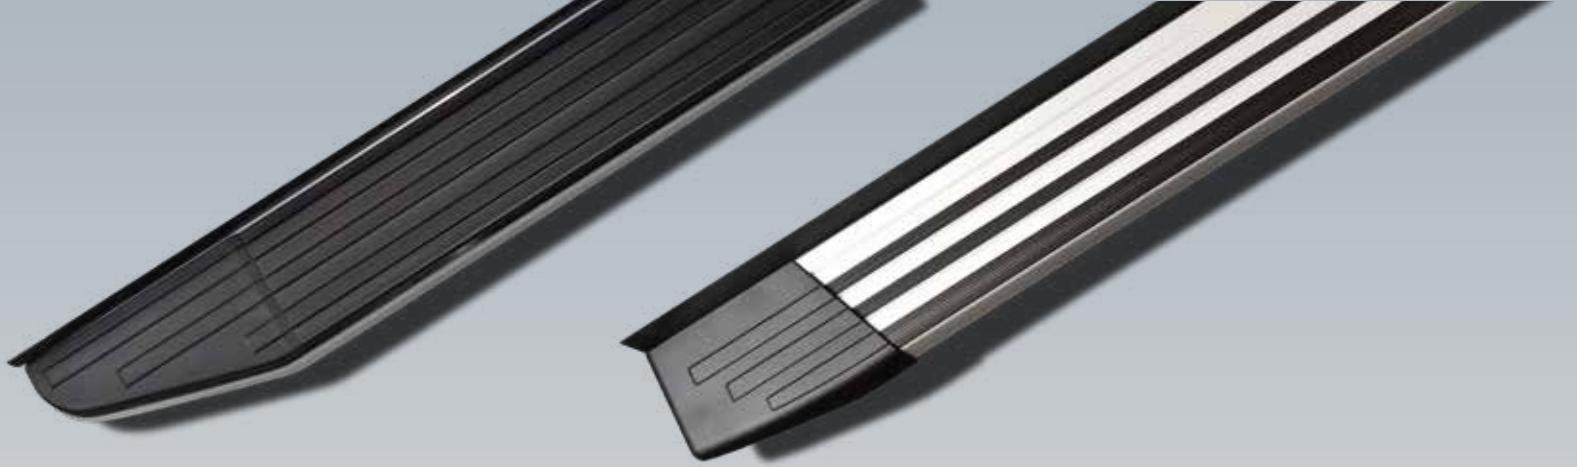

POWERGLIDE

RETRACTABLE BOARD

Introducing the Power Glide Retractable Board, the game-changing innovation designed to transform your vehicle experience. With its sleek design and durable construction, this cutting-edge running board effortlessly extends when the door opens, providing you with seamless entry and exit. Equipped with intelligent technology, it adapts to your vehicle, ensuring a secure step with its anti-slip surface. Say goodbye to awkward maneuvers and hello to effortless accessibility. Upgrade your adventure with the Power Glide Retractable Board and embrace a new level of convenience and style.

Visit our Power Glide application guide on page 80

STX100 SERIES

PRODUCT DETAILS

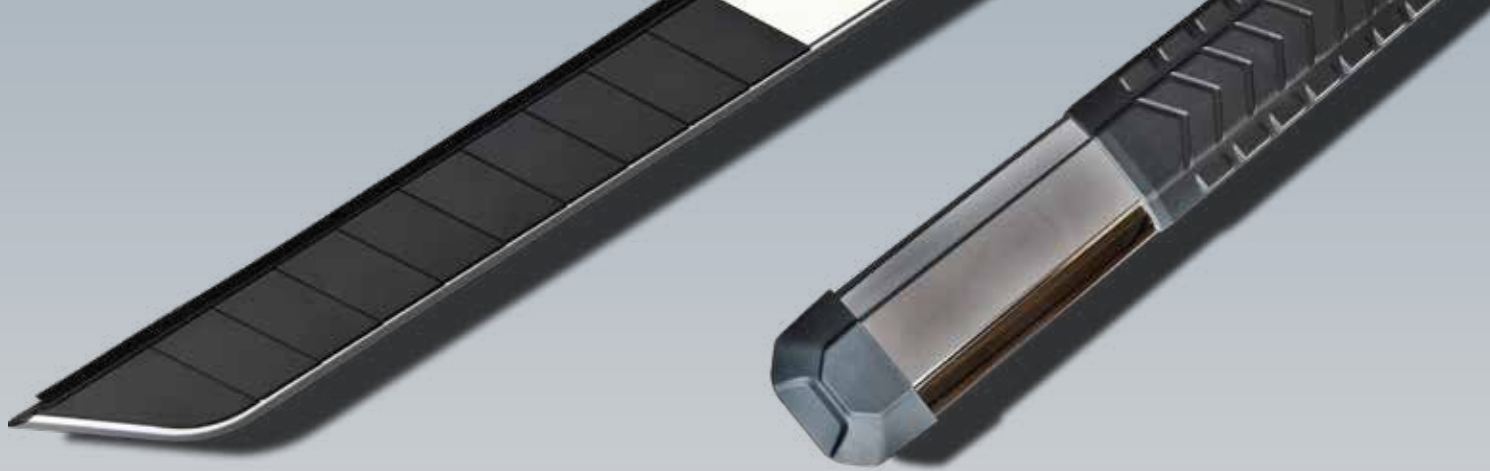

- OEM style running board enhances vehicle appearance
- Full-length HD extruded aluminum for added strength
- Polished stainless steel protective side trim
- Custom heavy duty brackets (vehicle specific)
- Mounting brackets & hardware included
- Available in black rubber non-slip surface
- Limited lifetime warranty

STX200 SERIES

PRODUCT DETAILS

- 5" wide step surface with molded traction strips running the length of the board for sure footing
- Injection molded end cap made from the highest quality polymers to ensure UV and corrosion resistance for long life
- Aircraft grade extruded aluminum deck is computer engineered for optimum strength
- Available to fit most SUV's & CUV's
- Limited lifetime warranty

STX300 SERIES

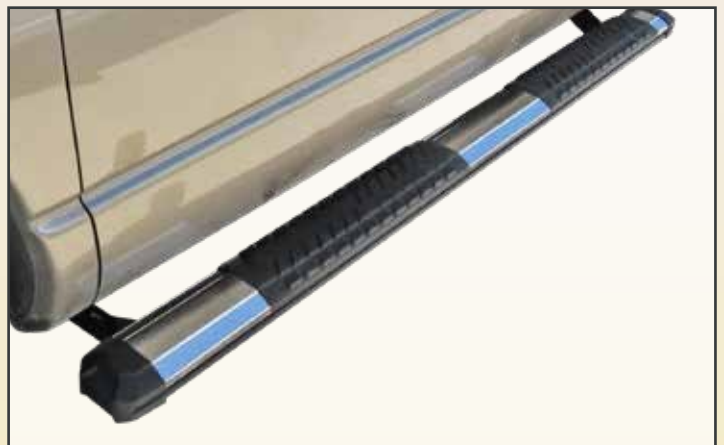

PRODUCT DETAILS

- 4.5" Wide step injection molded textured step platforms
- Rounded bullnose trim around the face
- CAD designed aircraft grade aluminum extrusion
- Decorative 304 Stainless steel center panel adds a clean dividing line between front and rear cabs
- 2" tall black elastomer back splash to help keep mud, water and road debris from splashing onto the step platform
- Limited lifetime warranty

STX400 SERIES

PRODUCT DETAILS

- STX 400 Step Boards feature an extruded aluminum body for ultra-light weight and aircraft quality strength
- Textured powder coating provides years of durable finish and superior corrosion resistance
- Stainless steel cover plates offer exceptional appearance alongside the long 5" aggressive patterned step pads
- Step pads are designed for years of service with high impact and UV protectant Polymers, no matter the condition
- Limited lifetime warranty

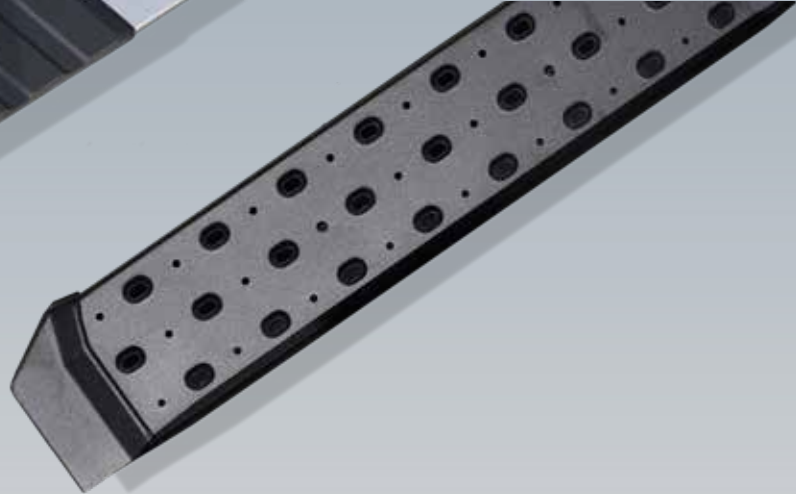

STX500 SERIES

PRODUCT DETAILS

- 6" width matches OE running boards
- Available in black powder coat (3 Year Warranty) or polished stainless steel (Limited Lifetime Warranty)
- Textured full width step pad for secure footing
- Connects to OE vehicle mounting locations for ease of installation (No drilling required)
- Vehicle specific mounting brackets included
- Polypropylene step pads and end caps
- Available in several lengths for a custom match to today's trucks

STX600 SERIES

PRODUCT DETAILS

- Heavy duty 14-gauge stamped carbon steel deck
- 6 1/2" step surface for comfort and security
- Fully E-Coated and powder coated to resist rust and corrosion
- Innovative track mounting system allows for multiple mounting positions - - - - -
- Traction lugs for a secure footing
- Limited lifetime warranty

Stylized bracket covers are now included with all running board orders for the ultimate clean look

Designed for the work truck and utility van owner in mind. Made to withstand years of punishment and backed by a 3 year manufacturers warranty

NEW

Steelcraft's STX Drop Steps are modular aluminum drop steps that allow flexible conversion from nerf bars to rock sliders by removing the easy bolt on drop steps

- Precision extruded aluminum tube body engineered for strength, yet light weight
- Full length mounting channels for easy installation and customizable step location
- Bolt-on adjustable drop steps with formed step surface that feature reverse punch plate for maximum traction
- E-coated to resist corrosion then powder coated in a fine-textured black finish for long life and rust-free performance
- Precision injection molded end caps
- Protects vehicle rocker panels from potential road damage
- Limited Lifetime Warranty (see Terms and Conditions)

MADE FOR JEEP

The R&D department at Steelcraft Automotive has spent countless hours over the years developing a line that adds both functionality and enhances the look of your Jeep because we believe there is no aspect that should be overlooked. All Steelcraft Jeep Products are manufactured with the highest quality materials & workmanship. They have all been E-Coated and Powder Coated to ensure quality performance for years to come, and we stand behind it with an industry leading Limited Lifetime Warranty.

JEEP REPLACEMENT FULL WIDTH BUMPERS

Steelcraft's Jeep Wrangler Bumper Replacements and accessories are engineered for strength, durability and sleek style. Our Wrangler Front Bumper is Winch & 20" LED Light ready and accommodates your factory fog lights, along with a removable hoop that gives you just enough customization without sacrificing strength. Steelcraft's Rear Bumper is the perfect complement to our front, ruggedness without losing form or function. Our Rear Bumper allows you to utilize the factory hitch and a spare tire up to 35". If you need to accommodate a larger size, we offer an optional Spare Tire Carrier of heavy duty design. Both Front and Rear Bumpers have fully welded eyelets, matte finish and are E-Coated and Powder Coated for maximum rust prevention. So when the time comes to explore beyond the pavement, Steelcraft Bumpers won't hold you back!

POLARIS RANGER XP 1000 FRONT BUMPER REPLACEMENT

Steelcraft's Polaris Ranger XP/Non-XP 1000 Front Bumper Replacement is engineered for strength and durability without sacrificing form or function. Constructed of 3mm Sheet Metal with stout brackets that bolt directly to your frame, it could handle any job. Steelcraft's bumper will also enhance your UTV with a rugged off road appearance that doesn't ignore body lines which makes it the perfect combination for work and play. Also, since options are always important, you could add a winch or a 14" Light bar to personalize your bumper to suit all your needs.

PRODUCT DETAILS

- 3mm(1/8") Sheet Metal Construction
- Matte Finish
- E-Coated & Powder Coated
- Winch & 14" Light Bar Ready
- Limited Lifetime Warranty (See Terms and Conditions)

KAWASAKI MULE PRO-FXT FRONT BUMPER OVERLAY

Steelcraft's Kawasaki Mule Pro-FXT Front Bumper Overlay is the perfect addition to your UTV by adding ruggedness and protection to the current OE Bumper with a simple non-drill bolt on application. Along with added protection, Steelcraft's Front Bumper is 14" light bar ready to help with all your lighting needs.

PRODUCT DETAILS

- 3mm(1/8") Sheet Metal Construction
- Matte Finish
- E-Coated & Powder Coated
- 14" Light Bar Ready
- Limited Lifetime Warranty (See Terms and Conditions)

KAWASAKI MULE PRO-FXT REAR BUMPER

Steelcraft's Kawasaki Mule Pro-FXT Rear Bumper is the perfect complement to our front bumper replacement. Constructed of 3mm Sheet Metal with stout brackets that bolt directly to your frame, it's not only rugged but engineered for strength. 3" cube & shackle ready to suit all your personalization needs.

PRODUCT DETAILS

- 3mm(1/8") Sheet Metal Construction
- Matte Finish
- E-Coated & Powder Coated
- 3" Cube & Shackle Ready
- Relocated OE Brake Lights
- Limited Lifetime Warranty (See Terms and Conditions)

CAN AM DEFENDER FRONT BUMPER REPLACEMENT

Steelcraft's Can Am Defender Front Bumper Replacement is engineered for strength and durability without sacrificing form or function. Constructed of 3mm Sheet Metal with stout brackets that bolt directly to your frame, it could handle any job. Steelcraft's bumper will also enhance your UTV with a rugged off road appearance that doesn't ignore body lines which makes it the perfect combination for work and play. Also, since options are always important, you could add a winch or a 14" Light bar to personalize your bumper to suit all your needs.

PRODUCT DETAILS

- 3mm(1/8") Sheet Metal Construction
- Matte Finish
- E-Coated & Powder Coated
- 14" LED Light Bar Ready
- Clearance for OE winch
- Limited Lifetime Warranty (See Terms and Conditions)

TERMS & CONDITIONS

PURCHASING

All shipments are C.O.D. unless payment has been received with an order or other prior arrangements have been made for open account. 50% deposit required on C.O.D. shipments.

SHIPPING

Steelcraft has already negotiated deep discounts with select freight companies and passes this savings on to our customers. Unless indicated otherwise, all shipments are FOB Corona, California. Upon managements approval, freight shall be prepaid on shippable orders within the United States (excluding Hawaii and Alaska) exceeding \$6500.00. Our standard drop ship fee is \$5.00 and will be added to all orders that are shipped to a location other than the billing address.

CLAIMS

Inspection of shipments is the responsibility of the customer. Damage or shortages need to be reported by the customer to the carrier at the time of delivery and noted on the bill of lading. Any claims not reported within 72 hours of delivery will not be honored.

RETURNS

All returns must be authorized in advance by Steelcraft. No returns will be accepted without a Steelcraft issued RGA number and a copy of the original invoice. Authorized returns will be shipped freight prepaid by the customer and once inspected will be subject to a restocking fee of at least 20%. Credit will be issued (no refunds) pending customer's 2:1 offset order.

PRICING & TERMS

Pricing and terms herein supersede all previous and are subject to change without notice.

MAINTENANCE

Steelcraft products should be routinely cleaned with a mild soap and water solution, then dried fully with a clean dry terry cloth. Powder coated products have similar consistency as automotive paints and should be cared for similarly. Stainless Steel products require routine cleaning and polishing with a nonabrasive polish. Failure to do so may cause fading, corrosion and ultimately void product warranty.

BLACK POWDER COAT WARRANTY

Steelcraft guarantees the original purchaser a LIMITED 3 YEAR WARRANTY from the date of purchase against manufactured defects in materials, workmanship and finish under normal use. This excludes damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include cost of removal, installation, labor, freight, inconvenience, or consequential damage. Original purchaser must return defective merchandise to original place of purchase and must provide original receipt.

STAINLESS STEEL WARRANTY

Steelcraft guarantees the original purchaser a LIMITED LIFETIME WARRANTY against manufacturer defects in materials, workmanship, and finish under normal use excluding damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include the cost of removal, installation, labor, freight, inconvenience, or consequential damage. The original purchaser must return defective merchandise to the original place of purchase and must provide the original receipt.

HEAVY DUTY PRODUCTS

LIMITED LIFETIME WARRANTY

ALUMINUM

Steelcraft guarantees the original purchaser that our Heavy Duty Aluminum products are free of defects in materials, workmanship and rust damage caused by manufacturing for the life of the product. This excludes damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping, or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include the cost of removal, installation, labor, freight, inconvenience, or consequential damage. The original purchaser must return defective merchandise to the original place of purchase and must provide an original receipt.

STEEL

Steelcraft guarantees the original purchaser that our Heavy Duty Steel products are free of manufactured defects in materials and workmanship for the life of the product. This excludes damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping, or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include the cost of removal, installation, labor, freight, inconvenience, or consequential damage. The original purchaser must return defective merchandise to the original place of purchase and must provide an original receipt.

1-YEAR LIMITED WARRANTY

Steelcraft guarantees the original purchaser that our black finish products are free of manufactured defects in our coating process. This excludes damage resulting from road hazards, debris, product misuse, improper installation, impairments from accidents, neglect, shipping, or product modification. This warranty applies only to new products and is limited to the repair or replacement of Steelcraft products. Warranty does not include the cost of removal, installation, labor, freight, inconvenience, or consequential damage. The original purchaser must return defective merchandise to the original place of purchase and must provide an original receipt.

DISCLAIMER

Steelcraft products are designed as decorative accessories and should not be relied upon as protection for the vehicle or passengers. Buyers assume all risk and liability whatsoever resulting from installation and use of Steelcraft products. Steelcraft assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
